

# *James Girls* Suzy Printed Photos

This is the ONLY place, worldwide, these photo prints are available for sale.

Many visitors to these webpages asked Mike to shoot more "Tina" photos. After a 4 years, Mike finally hired her back in the summer of 2003 for a new shoot. (Those new Tina pics are forthcoming, so stay tuned). Anyway, while Tina was at the studio, she informed Mike she'd recently met a cute girl named, Suzy. Tina thought Mike might be interested to shoot her because Suzy looked a bit like "Sedusa", Mike's resin kit and comicbook character. Mike took the bait and went to visit Suzy, and found the comparison to be fairly accurate. Suzy is a absolute doll!!! A bit timid, but very cute...and just as sweet as can be. Like most newbies to modeling though, Suzy was a bit shy to pose at first, not thinking herself to be "all that". But as you can see, Suzy is without a doubt, "all that"! In fact, "She da' bomb!"
